

The architectural floor plan shows a two-story building with a grid system. The horizontal grid is numbered 1 through 8, and the vertical grid is lettered A through D. The plan includes several rooms and areas:

- Classrooms:** Labeled A1 and A2, located in the upper and lower sections of the building.
- Library:** Located in the upper right section, adjacent to the A2 classrooms.
- Cafeteria:** Located in the lower right section, adjacent to the A2 classrooms.
- Restrooms:** Located in the lower left section, adjacent to the A1 classrooms.
- Corridors and Stairwells:** Various circulation spaces throughout the building.

The plan is detailed with room layouts, furniture, and structural elements. The grid system is used to reference specific locations within the building.
